## VACHON NAMED HEADMASTER-EMERITUS BY GOULD TRUSTEES

At its semiannual meeting held in the Bethel Inn on June 12, the Trustees of Gould Academy passed the following resolutions honoring Edmond J. Vachon, who is retiring at the end of June as Headmaster, and Mrs. Vachon:

WHEREAS Edmond J. Vachon has served with distinction as Headmaster of Gould Academy since July 1, 1959, and as a Trustee since June 12, 1961, having previously been a member of its faculty since 1940 and Associate Headmaster from July 1, 1954, to June 30, 1959; and

WHEREAS under his guidance Gould Academy has strengthened its position as one of the leading institutions of secondary education in the State of Maine and has graduated many students who have distinguished themselves in later life;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees hereby acknowledges its gratitude to Mr. Vachon for his devotion to the interests of Gould Academy and its students, and expresses its admiration for the outstanding manner in which he has discharged his responsibilities as faculty member, Associate Headmaster, Headmaster and Trustee; and

BE IT FURTHER RESOLVED that effective upon the expiration on July 1, 1967, of his term of office as Headmaster and as Trustee, Mr. Vachon is hereby elected Headmaster Emeritus of Gould Academy.

WHEREAS Sudie Vachon has contributed immeasurably to the success of Gould Academy over a period of 27 years;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees hereby acknowledges its

Edmond J. Vachon

abiding appreciation for her loyal support and selfless dedication.

Mr. Vachon's last graduating class, the Gould Class of 1967, compiled an exceptionally fine record with 53% of the class qualifying as Semi-Finalists in the National Merit Scholarship Examinations. Gene Tebbets, Valedictorian of the Class of 1967 and a Bethel resident, was selected as one of 121 Presidential Scholars from the entire country who met with President Lyndon Johnson at the White House this June. Tebbets will continue his studies at Harvard University this fall.

Walker Cain, representing Walker O. Cain Associates, Architects, New York City, was present at the meeting of the Gould Trustees to brief them on architectural plans for a new Student Union, dining hall, library, classrooms, and dormitories for Gould Academy. Gould is currently planning an extensive campus development program as well as carrying out significant curriculum and academic planning.

## PLANNING BOARD MEETS TONIGHT

There will be a meeting of the Bethel Planning Board this Thursday evening, June 22, at 7:30 in the Selectmen's Office. Henry Hastings, chairman, suggests that there are several urgent matters requiring consideration by the board.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

Anyone wishing driveways tarred by the Highway Dept. should contact the manager's office within the next two weeks. The work will be planned for July.

The selectmen have decided to wait until the 1968 models come out before asking for bids on a police car. It is felt we would be better off doing this than buying a 1967 model this late in the year. Aside from this, is the fact that it is difficult to order and receive a special vehicle such as a police car would be when the factories are in the process of retooling for new models.

## NTL COMMUNITY LADIES' PROGRAM IS UNDERWAY

The NTL Community Ladies' Program got underway this week with Mrs. Richard Albertson of Vienna, Virginia and Mrs. Robert Luke, Washington, D. C., Community coordinators for NTL, and Mrs. Samuel Timberlake, representing Greater Bethel Chamber of Commerce.

Their calendar included a coffee at "Skyfields," home of Bruce and Beekie Bailey, Tuesday morning sponsored by the G. B. C. of C. NTL children were cared for at the home of Mrs. Dexter Stowell while their mothers enjoyed the outing.

Wednesday afternoon, two tables of bridge were in play at the Ladies' Parlor of the Congregational Church, with Mrs. Dana Brooks, hostess. Visiting ladies were Mrs. Carol Rees, Mrs. Sharon Pryor, Mrs. Holly Oseas, Mrs. Virginia Zickelstein, playing with Bethelites, Mrs. R. S. McMillan, Mrs. Donald Brooks, Mrs. Estelle Goggin and Mrs. Dana Brooks.

Other events the committee were happy to list were included as a result of an appeal to local groups to notify them of special activities. Nazareth Church Vacation Bible School, American Legion game night, Friday Gift Shop and a new Gift Shop, Jordan's at Locke Mills.

Next week, a group of mothers and children will be entertained by Mrs. Cecil Conrad at Newry T. Farm, Thursday.

The committee would also be pleased to hear from persons in the area who speak other languages. Right now there is a Swedish guest and a Spanish guest. The latter does not speak English at all, nor do her small children. Any volunteers to make them feel at home both are to be here all summer.

## LACK OF CHAIRMAN BARS MOLLYCKETT DAY IN 1967

The Rev. Clifford W. Laws has been re-elected to the presidency of the Bethel Health and Service Council, Inc., at the council's annual meeting, last Thursday evening.

The nominating committee headed by Ralph Ryder presented the slate of officers, including Mrs. Alvin Barth, Jr., vice president; Mrs. Samuel Timberlake, clerk; Kimball Ames, treasurer; Mrs. LaForest Twitchell, Bryant Pond; Mrs. Dale Thurston, Mrs. Ronald Stevens and Mrs. Charles Chaplin.

Reports of activities during the past year were made by Mrs. Vance Richardson, holiday baskets; Mrs. Barth, for Finance, and for Eye and Dental Care; Mrs. Dexter Stowell, further activities of Doctor Procurement; Mrs. Timberlake, Family Life conferences, Rev. Laws, Loan closet; and Kimball Ames, financial statement.

It was voted that the financial statement, and a synopsis of reports be published in the local newspaper (to be done June 28). The president is compiling the annual report booklet and copies will be available to anyone, on request.

Mrs. Barth commented on the use of an application-for-financial-aid form developed this year. The council would like to know any criticisms there may be on this practice. Use of them has apparently helped some families to see where there are already agencies active which can assist them. Although the council's function is to provide emergency assistance to anyone, it is not intended to duplicate the work of other agencies.

At the same time, the council does not want persons in need of the services the council can provide, to neglect problems because of filing the application.

Through council sponsorship, the topical sodium fluoride application program (preventive dental care) is available to children in Gilead and Albany. The program will be held at Locke Mills School at the same time as under other sponsorship, it is offered to children of Newry, Greenwood, Woodstock.

Following a long and lively discussion, a vote of the membership present was taken on Mollyckett Day, the annual fund-raising event for the Council.

## S. A. D. 44 DIRECTORS TOLD SCHOOL BONDS TO BE ISSUED IN JULY

At their regular meeting held Monday evening at the Locke Mills School, the board of directors of School Administrative District No. 44 granted approval of a request by a church group at Andover for the use of a room in the Elm Street School, Andover, for vacation school purposes the last week in June.

A report on work planned for repairs of schools was presented. A report was presented and discussed of the fire inspection made by the Bethel Fire Chief and the Woodstock Fire Inspector. Most of the items have been remedied or are in the process of being changed.

The resignation of Thomas Hodgkins, of the Crescent Park School staff, was accepted by the directors.

Lester Bickford reported that the footings of the new building are nearly all in. The academic wing of the building is to be completed first.

It was reported by the finance committee that the brochure for the bond issue has been completed. The bond issue is to be in July.

The curriculum committee reported that the outline of the high school curriculum will be ready before the next meeting. It was suggested that the Administration prepare an outline of curriculum in the elementary schools.

Horace Maxey reported on the recent meeting of the Maine Municipal Association.

The next meeting of the directors will be held on July 17, at the R. C. Foster School, Newry.

## NTL INVITES LOCAL PARTICIPATION IN "MICRO-LAB" SATURDAY

There will be an optional theory session and critique in the afternoon, following lunch. Please come to the front of Bingham Gym at 9 a.m.

The result was that Mollyckett Day be omitted this year, because we (the council) have no chairman (for it).

#### GRATITUDE

It is generally true that all that is required to make men ungrateful of what they owe to God for any blessing is, that they should receive that blessing often and regularly.

He who receives a benefit should never forget it; he who bestows one should never remember it.
